The Highland Adventure

Day One Welcome to Scotland

Your Hush Highlands guide meets you on arrival. They will be with you every step of the way over the coming days in order to maximise your experience and to ensure your safety.

Spend the evening being guided through historical Edinburgh and sample the finest food in the Capital.

Day Two Journey North

Your guide takes you North to the remote Glens of the Highlands. We can organise accommodation of your choosing - from five-star hotels to private estates. Either way, you will be immersed in adventure alongside the finest Scottish hospitality.

Day Three & Four The Hush Highlands Bothy Experience

Unique to Hush Highlands, your guide takes you into the mountains for a guided hike like no other. 'Bag' one of Scotland's Munros - a name given to mountains in Scotland over 3000 feet. Your guide will point out wildlife and bring the Highlands to life with historic tales and stories of the area.

You arrive at your own private 'bothy'. A small hut traditionally built as a refuge from the elements but are now used by hikers to spend the night in the Highlands. This one is slightly different - you have it all to yourself and it comes with a private chef who will cook using locally foraged food.

Your guide prepares your bed for the night and keeps the fire burning. The stars come out and, thanks to the lack of light pollution, you will see constellations that you have never seen before.

Your guide and chef stay nearby but you enjoy the bothy to yourselves.

The next morning, your guide prepares breakfast before taking you back to civilisation.

Enjoy a touch of luxury again as you return to your five star residence for the night.

Day Five Digital Detox

Spend the day in the spa, recovering from your expedition.

Alternatively, you could head out on the hills again or try a new adventure such as kayaking, white water rafting, stand up paddleboarding, rock climbing, or horse riding.

Day Six Sample Edinburgh

Your guide takes you back to Edinburgh, ahead of your flight the day after. Enjoy the city and spend the evening in the whisky bar.

Say Seven Onward Journey

Your guide will personally ensure that you will get home in complete comfort.

Your Hush Highlands itinerary is entirely customisable to design a trip that is unique as you are.
